BRUCE PHILLIPS DAVIS

**HON. THADDEUS G. McCOTTER**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 9, 2009*

Mr. McCOTTER. Madam Speaker, today I rise to honor Bruce Phillips Davis, a devoted husband, father, and Veteran; and to mourn him upon his passing at age 44.

Bruce was born on March 18, 1965. He attended Lincoln Elementary School, Frost Junior High, Bentley High School and Cleary University, where he earned a Bachelor's degree in Business. He became a consultant with DTE Energy, a position in which Bruce excelled for twenty years. Following in his father's and brother's courageous footsteps, Bruce heeded a higher call of service and joined our United States military; and nobly served us and defended human freedom during Operation Desert Storm. A lover of life whose company brought joy to all he knew, Bruce enjoyed numerous outdoor activities and giving back to his community through his memberships in the Fraternal Order of Eagles and American Legion.

On July 6, 2009, Bruce succumbed in his ongoing struggle with pulmonary hypertension. He will be remembered as a father devoted to his family, especially his wife, Penny, and daughter, and to his many nieces and nephews. Bruce was a wonderful man, kind to all he encountered; and he will be truly, and sorrowfully missed.

Madam Speaker, during his lifetime, Bruce Phillips Davis enriched the lives of everyone around him. As we bid farewell to this wonderful individual, I ask my colleagues to join me in mourning his passing and honoring his years of loyal service to our community and country.

Goodbye and God Bless, "Tiger!"

COMMENDING THE SERVICE OF  
REAR ADMIRAL GARY T. BLORE  
AS ASSISTANT COMMANDANT OF  
THE UNITED STATES COAST  
GUARD

**HON. ELIJAH E. CUMMINGS**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 9, 2009*

Mr. CUMMINGS. Madam Speaker, as Chairman of the Subcommittee on Coast Guard and Maritime Transportation, I rise to recognize Rear Admiral Gary T. Blore for his distinguished service as the Assistant Commandant for Acquisition and Chief Acquisition Officer for the United States Coast Guard. Having completed his tour at Coast Guard Headquarters, he has now assumed command of the Coast Guard's 13th District, located in the Pacific Northwest.

Admiral Blore took the helm of Coast Guard acquisition programs at a time when these programs were facing significant challenges. Early procurements in the Deepwater program—a multi-billion dollar program intended to repair or replace the Coast Guard's air and surface assets—had failed.

Additionally, the decision made years earlier to manage the Deepwater procurements outside the service's existing acquisition management structure had created serious oversight and even morale challenges.

The Coast Guard needed to completely revamp its acquisition management systems to create a structure equal to the size of its acquisition initiatives and capable of effectively overseeing its contractors and obtaining best value for the expenditure of taxpayer resources.

Admiral Blore has ably led that change and, working closely with the Subcommittee on Coast Guard and Maritime Transportation, has modernized the Coast Guard's acquisition management systems.

His leadership guided the reorganization of several stalled projects that have now produced an unprecedented number of urgently needed capital assets for the Coast Guard, including modern helicopters, airplanes, boats, large cutters, and sophisticated shore, air and sea-based command and control systems.

Responding to the extensive criticisms of the early Deepwater effort and the Rescue-21 program, Admiral Blore led the organization of a new Acquisition Directorate. He issued and updated a Blueprint for Acquisition Reform, which continues to guide the creation of acquisition management systems within the new Directorate. Further, he oversaw the successful
